

Bee2BeeHUB connects **future driven companies, startups, business organizations, accelerators, incubators and investors** to build concrete bridges between the **innovation** and the **market**.

For companies and startups: Bee2BeeHUB provides access to an exclusive suite of tools:

- An **interactive virtual office** (premium online stand, company profile, direct messages, links to your partner organizations and physical trade shows, visitor contact details, statistics, etc.)
- Access to **meetings** with prospects and investors (investment meetings, pitch sessions, etc.)
- A **personalized communication kit**
- And much more...

Ambassador Status

To foster the **rapid growth** of our startup community, preferential rates are offered to partner organizations during the launch period. The **Ambassador** Status guarantees the preservation of these advantages **over time**.

For Organizations

The Bee2BeeHUB platform allows you to create a **dynamic ecosystem** through:

- **grouping** your companies and startups within a single space,
- **(inter)national visibility** for you and the members of your organization,
- the ability to organize online events via our **virtual conference center**.
- the organization of a **Job Day** (integrated job board)

For Invest & Trade Administrations

Increased ROI for Trade Shows and Missions:

- 365-Day/Year Presence: Bee2BeeHUB allows the delegation's **visibility to be extended**.
- **Post-Event Effect**: Visitors can easily find the companies they met.
- **Centralized grouping**

**A Qualified Visitor Base
National & International**

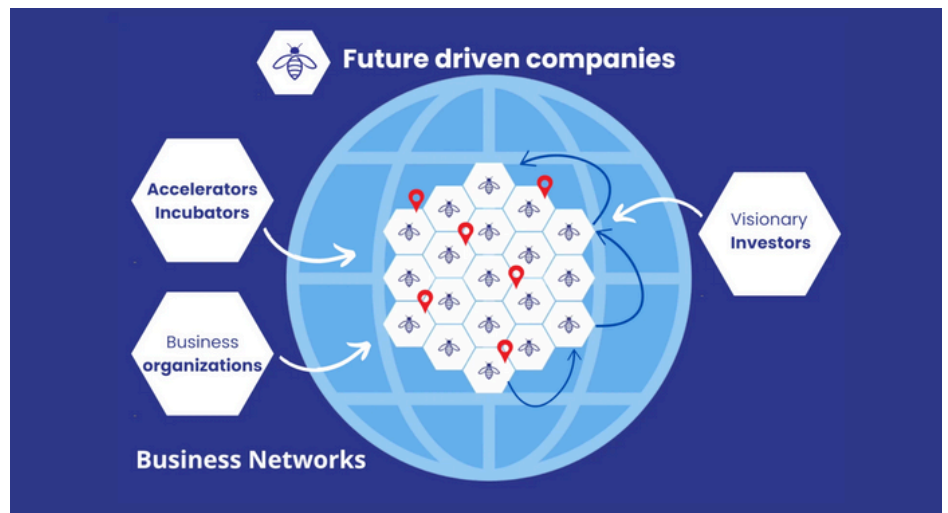

The platform's visitors are key players in the **B2B ecosystem: Potential Clients, Investors, Strategic Partners, and Major Corporations**, whether they are based in **your country** or participating in major professional trade shows.

Discover Bee2BeeHUB in just 120 seconds.
<https://vimeo.com/1095984862>

The **B2B platform** for those shaping the **future economy** and giving them the **visibility** they deserve.

Strategic advantages for Companies, Startups and Organizations

- **Permanent (Inter)national visibility** : Bee2BeeHUB is an (inter)national platform that ensures continuous visibility among potential clients, investors, and partners worldwide.
- **Trade Show Synergy & Increased ROI** : For organizations present at trade shows with a delegation or a group stand, Bee2BeeHUB helps increase the Return on Investment (ROI) by creating a link between the physical event and the platform.
 - Basic Integration: We link your companies to the trade shows they participate in.
 - Advanced Option: Possibility of creating a specific Hall that exclusively groups the companies present at a given trade show. In this Hall, you have the option to add two images with links to promote events or key trade show information.
- **Technological Differentiation**: The platform's model is unique thanks to the specific functionalities of the ExpoPolis software, offering a clear competitive advantage compared to static directories.
- **Multi-language** : We are progressively adding navigation languages to the platform. This is crucial: even startups with activities only at the national level and content only in their national language are valued. Potential clients, investors, and partners from their own country will be able to consult their stand in their navigation language. Exporting companies have the option to configure their booths in several languages.
Multilingual interface available: **EN, FR, DE, PT, IT, ES, NL** + expanding
- **Ease of Access and Sharing (Slug)**: Our slug structure (simplified URL) allows for a direct link to your startups, facilitating sharing and referencing.
- **Valuing Former Members (Alumni)**: Bee2BeeHUB gives visibility to your alumni startups. Offer them the opportunity to benefit from preferential rates thanks to your Ambassador Status.
- **Pricing Locked for Life** (Tipping Point): The Ambassador program is limited in time. **Once our tipping point is reached, our pricing model will evolve** (price increase), except for Ambassadors, who keep their fixed conditions for life.

Sponsorship

Any first startup or company that initiates the process and successfully **converts its organization into an Ambassador Partner** (Silver, Gold, or Platinum) will **receive the first year** of membership offered on the platform.

option

basic

basic

Networking

SILVER

Grouping and basic visibility

- **Grouping of booths** in a dedicated Hall (with a unique URL).
- Hall Size: 13 booths or 25 booths
- Time Saving ("**Turnkey**" Service): Our team sets up the basic booth for your companies: start fast, modify at will.

€1,300 (10 booths)

€2,500 (20 booths)

Annual Fee (Excl. Tax)

GOLD

High visibility on the platform

- SILVER
- Option to add additional **halls**
- Access to the **job module** (*)
- 500 **conference center** credits (**)

€5,500 (20 booths included)

Annual Fee (Excl. Tax)

PLATINUM

Maximum visibility and platform leadership

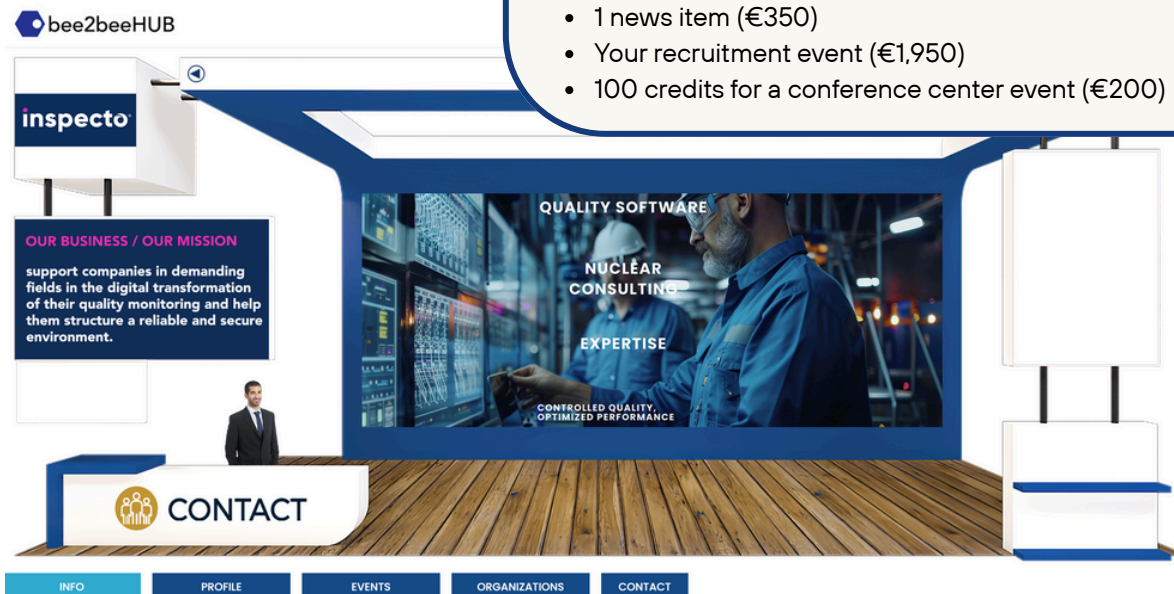

- GOLD
- **Logo on the Bee2BeeHUB Homepage** (with a link to your homepage).
- Strong visibility via a **dedicated homepage**.

€7,500 (20 booths included)

Annual Fee (Excl. Tax)

A La Carte Services

- Extra booth (€150)
- Banner 1 month (€950)
- 1 news item (€350)
- Your recruitment event (€1,950)
- 100 credits for a conference center event (€200)

Long-Term Commitment (Ambassador Status)

- **Guaranteed Individual Membership Rate:** For **alumni** companies integrated through your organization, we commit that the annual membership rates will never change (fixed rates for life).
- The negotiated Ambassador Partnership formula rates (Silver/Gold/Platinum) with your organization remain fixed for life.

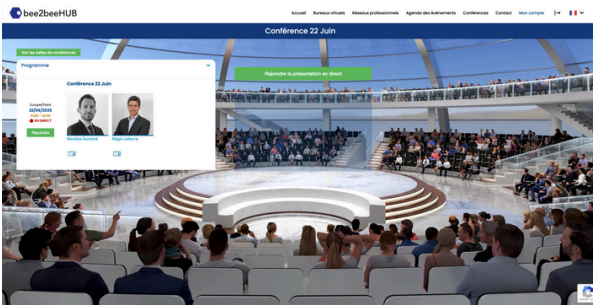

(*) **Job module** adapted for organizing your online "recruitment" event.

- The job module is activated for the companies you select.
- We group them in a dedicated Hall with its own URL for the duration of your recruitment event, facilitating its integration into your communication.
- Companies manage their job offers in complete autonomy, and these remain accessible via their booths after the event.
